

Class of 1996 Camp Scholarship

Awarded for the first time in 2018, the Class of 1996 Camp Scholarship is given to the player that has shown a strong work ethic, leadership qualities, and sportsmanship. The recipient will be a player that will carry forward the program's foundation of "giving back", and that would use the camp experience to not only improve their lacrosse skills, but would keep the youth of the program in mind after they leave high school and beyond.
